IV. System Design

1. Each applicant shall describe in narrative form the existing or contemplated system design concept indicating initial construction proposed and the development and extension of the system within the franchise boundaries over the period of the proposed municipal consent. Information should also be provided concerning:
 - (a) Extent to which two-way capability will be available initially and what provisions will be made for future development.
 - (b) Total signals to be carried and any auxiliary equipment to be provided to subscribers.
 - (c) A description of the methods to be employed for securing premium services and the extent that subscribers will be required to use equipment supplied by the applicant to receive those services.
 - (d) In the case of a renewal, the extent to which the applicant will rebuild or upgrade the system, or extend plant into previously unserved areas. Provide estimated dates of commencement and completion. Indicate what will be replaced.

System Design Narrative

The current cable television distribution system is 750 MHz in a hybrid fiber-coaxial, fiber-to-optical node design. The entire system is inherently two-way capable. The return path has been activated and is being used to provide high-speed Internet access, and for digital video, Video On Demand, High Definition television (HDTV) services and Comcast Digital Voice.

All video channels are transmitted in digital. The number of channels and bandwidth required will be a function of the services carried. To receive digital channels, customers must have compatible equipment. Standard definition digital channels require a digital converter, cable card or digital adapter to view. Video On Demand requires a digital converter to view.

All optional premium services are secured using digital encryption and require a digital converter or cable card to view. HDTV customers will need an HDTV converter for all HD channels other than off-air broadcasters. To receive off-air HD broadcasts without a converter requires a television set with an integral HD tuner.

2. Provide the following information concerning Standard or FM broadcast radio stations carried by applicant (If all-band FM, write "all-band").

N/A

Call letters
and affiliation

City and State

Frequency
broadcast cable

3. Provide information as to the number, cable channel designation, type of access channels and their manner of operation, including proposed date for commencement of services and channel sharing.

Comcast of Jersey, LLC operates a system-wide community access channel on channel 51. The channel is available to individuals, groups and organizations from the community that Comcast serves for the cablecasting of non-commercial access programming. Additionally, the system has capacity for a local access channel – currently channel one. Channel 1 is a shared channel that originates from City Hall and Snyder High School.

4. Each applicant shall title by category and list the following information concerning program origination;

<u>Type</u>	<u>Proposed Inception</u>	<u>Current Cable Channel Designation</u>
Municipal/Education Access	In Service	Channel 1
Public Access	In Service	Channel 51
Leased Access	In Service	Channel 190

5. Provide information, in narrative form, regarding production equipment and facilities to be made available by the applicant for its own use and for the use of others in the community. Describe by type (do not use brand names) and number, indicating when equipment will be available.

Note: Some production equipment may be made available for use by access channel users. See Guide to Franchise Renewal for further information.

Comcast of Jersey City, LLC maintains four (4) portable production units, including cameras and recording equipment, and four (4) editing suites available to the community for community access programming production. Currently the editing suites, portable equipment and training are available on Friday and Saturday generally from 9 – 1 pm. On Tuesdays there are an additional 2 hours available for equipment pick up and drop off. Hours are generally from 10 -12 noon. Hours are flexible based on mutual agreement.

6. Each applicant shall describe, in narrative form, any other services available to subscribers. Such description shall include, but not be limited to, the applicant's capability to contract with the community for such services as emergency override, interconnection of schools or local government offices, and availability of equipment and technical advice to the community.

Note: Provision of free services and equipment are limited by the F.C.C. and the Office. See Guide to Franchise Renewal for background information.

Emergency override is accomplished via compliance with State and Federal Emergency Alert System (EAS) guidelines. Upon reasonable advance notice, the Company will conduct training on equipment available to potential access users and groups. The Company provides courtesy cable television service to certain school and municipal facilities.

If applicable, attach as an appendix a copy of the proposed line extension policy. Be sure to provide a homes per mile figure for use with the line extension policy.

Note: The Cable Television Act requires the applicant agree to cable the entirety of the franchise area. The applicant is not required, however, do so under all circumstances or at its own cost. The primary service area is the section of the community the cable television company will provide service to residents at standard and non-standard installation rates and charges. Sections outside the primary service area may be governed by a line extension policy delineating the terms and conditions by which service will be provided. Primary service areas and any area the cable television company will provide service pursuant to a line extension policy must be designated on the map filed in accordance with § VI. System Plant.

Comcast will comply with all lawful rules and regulations governing the operation of its cable television system and cable communications system within the City of Jersey City. If any above referenced regulation is deemed unlawful by a court of competent jurisdiction or superseded by a duly enacted State or federal statute or regulation, Comcast will not be bound by such regulation, nor will the company be bound by any provision of the Municipal Consent Ordinance or Renewal Certificate of Approval with regard to same. Comcast reserves the right to seek administrative or judicial review of the validity of any statute, regulation or ordinance.

Comcast adopts the Office of Cable Television's Line Extension Policy with a density threshold of 35 homes-per-mile.

A cable operator is required to absorb the cost of extensions to the system in the same proportion that the extension is to the remainder of the system.

Actual subscribers served by the extension are required to absorb the remainder of the cost.

If new subscribers are added to the extension the cost is adjusted and those who previously paid receive an appropriate rebate.

In any case, the company shall extend its plant along public rights of way to:

1. All residences and businesses within 150 aerial feet of the operator's existing plant at no cost beyond the normal installation rate.
2. All residences and businesses within 100 underground feet of the operator's plant at no cost beyond the normal installation rate.

* The minimum HPM that the company actually constructs in the system or municipality is the minimum number of homes which the company has historically constructed at its own cost. This is a function of the operator's break even point and its rate of return. **Unbuilt systems will use the primary service area as the basis for HPM rather than constructed areas.**

The operator's installation policies shall apply to construction beyond the public right of way.

Detailed accounting and/or financial information to support the minimum HPM shall be supplied to the Office for its approval in such form as required. The minimum HPM shall be updated as appropriate.

When a request for service is received, and unless good cause is shown, cable companies shall:

1. Provide a written estimate within 30 days of such a request.
2. Begin construction within 60 days of receipt of any deposit monies from potential subscribers.
3. Complete construction within six months of receipt of any deposit monies from potential subscribers.
4. Inform each home passed along the extension of the potential costs for subscribers.

Subscribers who pay for an extension shall be entitled to rebates in the following manner:

1. If the company acquires new subscribers subsequent to the initial calculation of step 5 above, the formula will be adjusted and those who have previously paid for the extension will be entitled to an appropriate rebate. In no event shall the amount of the rebate exceed the subscriber's contribution.
2. The company shall keep accurate records of the cost of the extension, the amounts paid by subscribers and any appropriate adjustments.
3. The company shall notify subscribers in the extension of their rights and responsibilities concerning the extension.
4. Once an individual dwelling has paid its share of the extension cost future reconnections or installations shall be made at the company's standard rates.
5. After a period of five years from the installation of the first dwelling unit in the extension no further adjustments shall be made. Installations after five years shall be at the company's standard rate.
6. Once a subscriber is installed, that person shall not normally be entitled to a refund of any monies paid for the installations, except in accordance with the rebate procedure outlined in this policy.

Definitions

Primary Service Area

The Primary Service Area (PSA) can be an entire municipality but in many instances the PSA is a limited area within a community outside of which a line extension policy may apply. The PSA is depicted by a franchise map and narrative, presented and recorded during the franchise proceedings. It normally remains a fixed geographic area throughout the life of the franchise.

Line Extension Survey

Potential subscribers residing outside the PSA who request service are entitled to an estimate of their share of the cost to secure service. When conducting a survey and estimating costs, a cable company should factor-in all potential subscribers who could practicably be included in the extension and give consideration to apparent residential construction in areas contiguous to the proposed extension.

TERMS AND CONDITIONS

COMCAST AGREEMENT FOR RESIDENTIAL VIDEO AND HIGH-SPEED SERVICES

ABOUT THIS AGREEMENT, OUR SERVICES, AND YOUR RIGHTS

Comcast Services will be provided to you ("you," "your," or "Customer") on the terms and conditions set forth in this Agreement for Residential Video and High-Speed Services (the "Agreement") by the operating company subsidiary of Comcast Corporation that owns and/or operates the cable television system in your area ("Comcast," "we," "us," or "our") and in any applicable Tariff(s) on file with the FCC, state utility commission or other comparable state agency. For purposes of this Agreement, "affiliate" means any entity that controls, is controlled by or is under common control with Comcast Corporation. Services may include, but are not limited to, cable television service ("Video") and Comcast High-Speed Internet service ("HSI") (each a "Service" and collectively the "Services"). The terms and conditions in the "GENERAL TERMS AND CONDITIONS" section below are applicable to all Services unless otherwise indicated. Additional terms and conditions applicable to HSI are included in this Agreement in sections titled "ADDITIONAL PROVISIONS APPLICABLE TO HSI". We may change our prices, fees, the Services and/or the terms and conditions of this Agreement in the future. Unless this Agreement or applicable law specifies otherwise, we will give you thirty (30) days prior Notice of any significant change to this Agreement. If you find the change unacceptable, you have the right to cancel your Service(s). However, if you continue to receive Service(s) after the end of the notice period (the "Effective Date") of the change, we will consider that you have accepted the changes. You may not modify this Agreement by making any typed, handwritten, or any other changes to it for any purpose.

Note: This Agreement contains a binding arbitration provision in Section 13 that affects your rights under this Agreement with respect to all Services.

GENERAL TERMS AND CONDITIONS

1. ACCEPTANCE OF THIS AGREEMENT

You will have accepted this Agreement and be bound by its terms if you use the Services or otherwise indicate your affirmative acceptance of such Services.

2. CHARGES AND BILLINGS

a. Charges, Fees, and Taxes You Must Pay. You agree to pay all charges associated with the Services, including, but not limited to, installation charges, monthly service charges, Comcast Equipment (as defined below) charges, service call charges, applicable federal, state, and local taxes (however designated) and any fees or payment obligations imposed by governmental or quasi-governmental bodies for the sale, installation, use, or provision of the Services. You agree to pay any regulatory recovery fees which Comcast invoices you for municipal, state and federal government fees or assessments imposed on Comcast, or any programs in which Comcast participates, including, but not limited to, public, educational and governmental access. **YOU WILL BE RESPONSIBLE FOR PAYING ANY GOVERNMENT IMPOSED FEES AND TAXES THAT BECOME APPLICABLE RETROACTIVELY.** We will provide you with notice and an effective date of any change in our prices or fees, unless the change in price is related to a change in governmental or quasi-governmental taxes, fees or assessments, in which case we may elect not to provide notice except where required by applicable law. Not all fees apply to all Services.

• **For Video Customers.** Video price information is supplied with our Welcome Kit.

• **For HSI Customers.** HSI price information is available at www.comcast.com (or an alternative site if we notify you).

•• **For Minimum Term Customers.** If you have signed a minimum term addendum, which may be available within your area, your price for Service(s) is as specified in the minimum term addendum.

b. How We Will Bill You. Unless you have signed a minimum term addendum, Services are provided to you on a month-to-month basis. You will generally be billed monthly, in advance, for recurring service charges, equipment charges, and

Consolidated North New Jersey

Date of Issue: May 2, 2012

Effective: May 9, 2012
or the first bill thereafter

fees. **IN ADDITION, YOU MUST PAY, ON OR BEFORE THE DAY WE INSTALL ANY OR ALL OF THE SERVICES, THE FIRST MONTH'S SERVICE CHARGES, COMCAST EQUIPMENT CHARGES, ANY DEPOSITS, AND ANY INSTALLATION CHARGES.** You may be billed for some Services individually after they have been provided to you; these include measured and per-call charges (as explained below) and charges for pay-per-view movies or events, interactive television, and e-commerce. Your first bill may include pro-rated charges from the date you first begin receiving Services, as well as monthly recurring charges for the next month and charges for non-recurring charges for any nonrecurring services you have received. If you make partial payment of any bill, we will apply that payment to the outstanding charges in the amounts and proportions that we determine. However, we do not waive our rights to collect the full balance owed to us by accepting partial payment.

c. Third-Party Charges That Are Your Responsibility. You acknowledge that you may incur charges with third-party service providers that are separate and apart from the amounts charged by us. These may include charges resulting from accessing on-line services, purchasing or subscribing to other offerings via the Internet or interactive options on your Video Service, if applicable, or otherwise. You are solely responsible for all charges payable to third parties, including all applicable taxes. In addition, you are solely responsible for protecting the security of credit card and other personal information provided to others in connection with such transactions.

d. Alternative Billing Arrangements. In certain cases, Comcast may agree to provide billing services on behalf of third parties, as the agent of the third party. Any such third-party charges shall be payable pursuant to any contract or other arrangement between you and the third party. We will not be responsible for any dispute regarding these charges between you and any third party. You must address all such disputes directly with the third party.

e. Payment by Credit Card or Check. If you use a credit card to pay for the Services, use of the card is governed by the card issuer agreement for that card, and you must refer to that agreement for your rights and liabilities as a cardholder. If Comcast does not receive payment from your credit card issuer or its agents, you agree to pay all amounts due upon demand. If you make payment by check, you authorize Comcast to collect your check electronically. You agree that you may not amend or modify this Agreement with any restrictive endorsements (such as "paid in full"), releases, or other statements on or accompanying checks or other payments accepted by Comcast and that any such notations shall have no legal effect.

f. Our Remedies if You Pay Late or Fail to Pay

i. Late or Non-Payments: You may be billed fees, charges and assessments related to late payments or non-payments if for any reason (a) Comcast does not receive from you any required payment for the Services by the payment due date or (b) you pay less than the full amount due for the Services.

ii. Fees Not Considered Interest or Penalties: Comcast does not anticipate that you will fail to pay for the Services on a timely basis, and we do not extend credit to customers. Any fees, charges, and assessments due to late payment or nonpayment are not interest, credit service charges, or finance charges or penalties. Rather, they are liquidated damages intended to be a reasonable advance estimate of our costs resulting from late payments and non-payments. These costs will be difficult to calculate or to predict when we set such fees, charges, and assessments, because we cannot know in advance: (a) whether you will pay for the Services on a timely basis, if ever; (b) if you do pay late, when you will actually pay; and (c) what costs we will incur because of your late payment or non-payment.

iii. Collection Costs: If we are required to use a collection agency or attorney to collect money owed by you, you agree to pay the reasonable costs of collection. These costs include but are not limited to any collection agency's fees, reasonable attorneys' fees, and arbitration or court costs.

iv. Suspension/Disconnect: If you fail to pay the full amount due for any or all of the Services then Comcast, at its sole discretion in accordance with applicable law, may suspend or disconnect any or all the Services you receive.

g. Reconnection Fees and Related Charges. Should you wish to resume a Service after any suspension, we may require you to pay a reconnection fee. Should you wish to reinstate any or all Services after disconnection, we may require you to pay an installation fee and/or service activation fee. These fees are in addition to all past due charges and other fees. Reconnection of the Services is subject to our credit policies, this Agreement and applicable law.

h. Our Right to Make Credit Inquiries. **YOU AUTHORIZE COMCAST TO MAKE INQUIRIES AND TO RECEIVE INFORMATION ABOUT YOUR CREDIT EXPERIENCE FROM OTHERS, TO ENTER THIS**

INFORMATION IN YOUR FILE, AND TO DISCLOSE THIS INFORMATION CONCERNING YOU TO APPROPRIATE THIRD PARTIES FOR REASONABLE BUSINESS PURPOSES.

i. Your Responsibilities Concerning Billing Questions. Subject to applicable law, if you intend to dispute a charge or request a billing credit, you must contact Comcast within sixty (60) days of the date on the bill. You waive any disputes or credits that you do not report within sixty (60) days.

3. REFUNDABLE DEPOSIT

We may require you to pay a refundable deposit when you activate the Service(s). We may also require you to pay a refundable deposit after activation of the Service(s) if you add Comcast Equipment and/or Service(s) or if you fail to pay any amounts when they are due. If we disconnect your Service(s) or are otherwise required under applicable law to refund the deposit, we shall within forty-five (45) days or as otherwise specified by applicable law return a sum equal to the deposit(s) you paid (without interest unless otherwise required by law) minus any amounts due on your account (including without limitation, any amounts owed for Services or for any Comcast Equipment that is damaged, altered, or not returned).

4. CHANGES TO SERVICES

Subject to applicable law, we have the right to change our Services, Comcast Equipment and rates or charges, at any time with or without notice. We also may rearrange, delete, add to or otherwise change programming or features or offerings contained in the Services, including but not limited to, content, functionality, hours of availability, customer equipment requirements, speed and upstream and downstream rate limitations. If we do give you notice, it may be provided on your monthly bill, as a bill insert, in a newspaper or other communication permitted under applicable law. If you find a change in the Service(s) unacceptable, you have the right to cancel your Service(s). However, if you continue to receive Service(s) after the change, this will constitute your acceptance of the change. Please take the time to read any notices of changes to the Service(s). We are not liable for failure to deliver any programming, services, features or offerings except as provided in Section 11(e).

5. ACCESS TO YOUR PREMISES

You agree to allow us and our agents the right to enter at reasonable times your property upon which the Services and/or Comcast Equipment will be provided (the "Premises"), for purposes of installing, configuring, maintaining, inspecting, upgrading, replacing and removing the Services and/or Comcast Equipment used to receive any of the Services. You warrant that you are either the owner of the Premises or that you have the authority to give us access to the Premises. If you are not the owner of the Premises, you are responsible for obtaining any necessary approval from the owner to allow us and our agents into the Premises to perform the activities specified above. In addition, you agree to supply us or our agent, if we ask, the owner's name, address and phone number and/or evidence that the owner has authorized you to grant access to us and our agents to the Premises.

6. MAINTENANCE AND OWNERSHIP OF EQUIPMENT

a. Comcast Equipment. You agree that except for the wiring installed inside the Premises ("Inside Wiring"), all Comcast Equipment belongs to us or other third parties and will not be deemed fixtures or in any way part of the Premises. Comcast Equipment includes all new or reconditioned equipment installed, provided or leased to you by us or our agents, including but not limited to, cabling or wiring and related electronic devices, cable modems, wireless gateway/routers, any other hardware and all software or "downloads" to Comcast Equipment. You agree to use Comcast Equipment only for the Services pursuant to this Agreement. We may remove or change the Comcast Equipment at our discretion at any time the Services are active or following the termination of your Service(s). You agree to allow us access to the Premises for these purposes. You may not sell, lease, abandon or give away the Comcast Equipment, or permit any other provider of video, high speed data or telephone services to use the Comcast Equipment. The Comcast Equipment may only be used in the Premises. At your request, we may relocate the Comcast Equipment in the Premises for an additional charge, at a time agreeable to you and us. **YOU UNDERSTAND AND ACKNOWLEDGE THAT IF YOU ATTEMPT TO INSTALL OR USE THE COMCAST EQUIPMENT OR SERVICES AT A LOCATION OTHER THAN THE PREMISES, THE SERVICES MAY FAIL TO FUNCTION OR MAY FUNCTION IMPROPERLY.** You agree that you will not allow anyone other than Comcast employees or agents to service the Comcast Equipment. We suggest that the Comcast Equipment in your possession be covered by your homeowners, renters, or other insurance. You will be directly

responsible for loss, repair, replacement and other costs, damages, fees and charges if you do not return the Comcast Equipment to us in an undamaged condition.

b. Customer Equipment

i. Responsibility: Comcast has no responsibility for the operation or support, maintenance or repair of any equipment, software or services that you elect to use in connection with the Services or Comcast Equipment (the "Customer Equipment").

• For HSI Customers. You can find Comcast's current minimum technical and other requirements for HSI customers at <http://www.comcast.com/Support/Corp1/FAQ/FaqDetail2205.html>. These requirements may be located at an alternative site if we so notify you. Whether a cable modem, gateway/router or other device is owned by you or us, we have the unrestricted right, but not the obligation, to upgrade or change the firmware in these devices remotely or on the Premises at any time that we determine it necessary or desirable in order to provide Services to you in accordance with our specifications and requirements.

ii. Non-Recommended Configurations: Customer Equipment that does not meet Comcast's minimum technical or other specifications constitutes a "Non-Recommended Configuration." NEITHER COMCAST NOR ANY OF ITS AFFILIATES, SUPPLIERS OR AGENTS WARRANT THAT A NON-RECOMMENDED CONFIGURATION WILL ENABLE YOU TO SUCCESSFULLY INSTALL, ACCESS, OPERATE OR USE THE SERVICES. YOU ACKNOWLEDGE THAT ANY SUCH INSTALLATION, ACCESS, OPERATION, OR USE COULD CAUSE CUSTOMER EQUIPMENT TO FAIL TO OPERATE OR CAUSE DAMAGE TO CUSTOMER EQUIPMENT, YOU, YOUR PREMISES OR COMCAST EQUIPMENT. NEITHER COMCAST NOR ANY OF ITS AFFILIATES, SUPPLIERS OR AGENTS SHALL HAVE ANY LIABILITY WHATSOEVER FOR ANY SUCH FAILURE OR DAMAGE. Comcast reserves the right to deny you customer support for the Services and/or terminate Service(s) if you use a Non-Recommended Configuration.

iii. No Unauthorized Devices or Tampering: You agree not to attach any unauthorized device to Comcast Equipment or the Services. If you make any unauthorized connection or modification to Comcast Equipment or the Services or any other part of our cable network, we may terminate your Service and recover such damages as may result from your actions. Unless expressly authorized by us, you agree not to install anything to intercept or receive any of the Services offered over our cable network or to assist any person in intercepting or receiving any of the Services offered over our cable network. You also agree that you will not attach anything to the Inside Wiring, Comcast Equipment or Customer Equipment, whether installed by you or us, which singly or together impairs the integrity of our cable network or degrades our cable network's signal quality or strength or creates signal leakage. You hereby agree that we may recover damages from you for tampering with any Comcast Equipment or any other part of our cable network or for receiving unauthorized Service(s). You agree that it would be difficult if not impossible to calculate precisely the lost revenue resulting from your receipt of unauthorized Service(s) or the alteration or improper use of Comcast Equipment. You therefore agree to pay us as liquidated damages, the sum of \$500.00 per device used to receive the unauthorized Services in addition to our cost to replace any altered, damaged or unreturned Comcast Equipment or other equipment owned by Comcast, including any incidental costs. The unauthorized reception of the Services may also result in criminal fines and/or imprisonment.

c. Inside Wiring. You may install Inside Wiring, such as additional cable wiring and outlets, provided it does not interfere with the normal operations of our cable network. If you have us install Inside Wiring, we will charge you for that service. Regardless of who installed it, we consider the Inside Wiring your property or the property of whomever owns the Premises. Accordingly, you are responsible for the repair and maintenance of the Inside Wiring, unless you and Comcast have agreed otherwise in writing. (If you do not own the Premises, contact your landlord or building manager about the repair or maintenance of Inside Wiring.) If you have us repair or maintain the Inside Wiring, we will charge you for that service.

7. USE OF SERVICES

You agree that the Services and the Comcast Equipment will be used only for personal, residential, non-commercial purposes, unless otherwise specifically authorized by us in writing. You will not use the Comcast Equipment at any time at an address other than the Premises without our prior written authorization. You agree and represent that you will not resell or permit another to resell the Services in whole or in part. You will not use or permit another to use the Comcast Equipment or the Service(s), directly or indirectly, for any unlawful purpose, including, but not limited to, in violation of

any posted Comcast policy applicable to the Services. Use of the Comcast Equipment or Services for transmission, communications or storage of any information, data or material in violation of any U.S. federal, state or local regulation or law is prohibited. You acknowledge that you are accepting this Agreement on behalf of all persons who use the Comcast Equipment and/or Services and that you shall have sole responsibility for ensuring that all other users understand and comply with the terms and conditions of this Agreement and any applicable Comcast policies including, but not limited to, acceptable use and privacy policies. You further acknowledge and agree that you shall be solely responsible for any transactions, including, without limitation, purchases made through or in connection with the Services. You agree to indemnify, defend and hold harmless Comcast and its affiliates, suppliers, and agents against all claims and expenses (including reasonable attorney fees) arising out of the use of the Services, the Comcast Equipment and/or the Customer Equipment or the breach of this Agreement or any of the applicable Comcast policies by you or any other user of the Services at the Premises.

• **For HSI Customers.**

a. Acceptable Use Policy. The Comcast Acceptable Use Policy (“AUP”) and other policies concerning HSI are posted on the Service’s Web site at www.comcast.net (or an alternative Web site if we so notify you). You further agree that Comcast may modify the AUP or other policies from time to time. Notwithstanding anything to the contrary in this Agreement, YOU ACKNOWLEDGE AND AGREE THAT THE TERMS OF THE AUP AND ANY OTHER APPLICABLE COMCAST POLICIES MAY BE PUT INTO EFFECT OR REVISED FROM TIME TO TIME WITHOUT NOTICE BY POSTING A NEW VERSION OF THE AUP OR POLICY AS SET FORTH ABOVE. YOU AND OTHER USERS OF THE SERVICE SHOULD CONSULT THE AUP AND ALL POSTED POLICIES REGULARLY TO CONFORM TO THE MOST RECENT VERSION.

b. Prohibited Uses of HSI. You agree not to use HSI for operation as an Internet service provider, a server site for ftp, telnet, rlogin, e-mail hosting, “Web hosting” or other similar applications, for any business enterprise, or as an end-point on a non-Comcast local area network or wide area network. You agree to indemnify, defend and hold harmless Comcast and its affiliates, suppliers, and agents against all claims and expenses (including reasonable attorney fees) arising out of any breach of this Section including, but not limited to, any claims based on or arising out of any material violation of any applicable law.

8. ASSIGNABILITY

This Agreement and the Services furnished hereunder may not be assigned by you. You agree to notify us immediately of any changes of ownership or occupancy of the Premises. We may freely assign our rights and obligations under this Agreement with or without notice to you.

9. TERMINATION OF THIS AGREEMENT

a. Term. This Agreement will be in effect from the time that Services are activated until (1) it is terminated as provided for by this Agreement or by any addendum to this Agreement or (2) it is replaced by a revised Agreement. If you self-install Comcast Equipment, Service charges begin the earliest of (1) the day on which you picked up Comcast Equipment at our service center, (2) the day you install the Service, or (3) five (5) days after the date we ship the Comcast Equipment to you. If you self-install a cable modem or converter that you obtained from a source other than Comcast, charges begin the day that your order for the Services is entered into our system. The option to self-install a cable modem or converter and/or to use a non-Comcast-supplied cable modem or converter is subject to availability. Any non-Comcast supplied cable modem or converter must comply with Comcast’s minimum requirements.

b. Termination by You. Unless you have signed a minimum term addendum, you may terminate this Agreement for any reason at any time by notifying Comcast in one of three ways: (i) send a written notice to the postal address of your local Comcast business office; (ii) send an electronic notice to the e-mail address specified on www.comcast.com; or (iii) call our customer service line during normal business hours. Subject to applicable law or the terms of any agreements with governmental authorities, all applicable fees and charges will accrue until this Agreement has terminated, the Services have been disconnected, and all Comcast Equipment has been returned. We will refund all prepaid monthly service fees charged for Services after the date of termination (less any outstanding amounts due Comcast for the Services, affiliate services, Comcast Equipment, or other applicable fees and charges).

c. Suspension and Termination by Comcast. Under the conditions listed below, Comcast reserves the right, subject to applicable law, to act immediately and without notice to terminate or suspend the Services and/or to remove from the

Services any information transmitted by or to any authorized users (e.g., email or voicemail). Comcast may take these actions if it: (1) determines that such use or information does not conform with the requirements set forth in this Agreement, (2) determines that such use or information interferes with Comcast's ability to provide the Services to you or others, (3) reasonably believes that such use or information may violate any laws, regulations, or written and electronic instructions for use, or (4) reasonably believes that such use or information interferes with or endangers the health and/or safety of our personnel or third parties. Comcast's action or inaction under this Section shall not constitute review or approval of your or any other users' use of the Services or information transmitted by or to you or users.

d. Your Obligations upon Termination. You agree that upon termination of this Agreement you will do the following:

1. You will immediately cease all use of the Services and all Comcast Equipment;
2. You will pay in full for your use of the Services up to the date that this Agreement has been terminated, and the Services are disconnected; and
3. Within ten (10) days of the date on which Services are disconnected, you will return all Comcast Equipment to us at our local business office or to our designee in working order, normal wear and tear excepted. Otherwise, you will be charged the amount set forth in the current pricing lists for such Comcast Equipment, or the revised amount for which you receive notice; if no amount has been specified for the particular model of Comcast Equipment, you will be charged the retail price for a new replacement. You may also be charged incidental costs that we incur in replacing the Comcast Equipment. Upon our request, you will permit us and our employees, agents, contractors, and representatives to access the Premises during regular business hours to remove the Comcast Equipment and other material provided by Comcast. We will conduct this removal at a time agreed on by you and us, and you will ensure that all Comcast Equipment is returned to Comcast.

10. LIMITED WARRANTY

THE COMCAST EQUIPMENT AND THE SERVICES ARE PROVIDED "AS IS," WITHOUT WARRANTY OF ANY KIND, EITHER EXPRESS OR IMPLIED. NEITHER COMCAST NOR ITS AFFILIATES, SUPPLIERS, EMPLOYEES, AGENTS OR CONTRACTORS WARRANT THAT THE COMCAST EQUIPMENT OR THE SERVICES WILL MEET YOUR REQUIREMENTS, PROVIDE UNINTERRUPTED USE, OR OPERATE AS REQUIRED, WITHOUT DELAY, OR WITHOUT ERROR. NEITHER COMCAST NOR ITS AFFILIATES, SUPPLIERS, EMPLOYEES, AGENTS OR CONTRACTORS WARRANT THAT ANY COMMUNICATIONS WILL BE TRANSMITTED IN UNCORRUPTED FORM. ALL REPRESENTATIONS AND WARRANTIES OF ANY KIND, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO ANY WARRANTIES OF PERFORMANCE, NONINFRINGEMENT, FITNESS FOR A PARTICULAR PURPOSE OR MERCHANTABILITY, ARE HEREBY DISCLAIMED AND EXCLUDED UNLESS OTHERWISE PROHIBITED OR RESTRICTED BY APPLICABLE LAW.

11. LIMITATION OF COMCAST'S LIABILITY

a. Application. The limitations of liability set forth in this Section apply to any acts, omissions, and negligence of Comcast and its underlying third-party service providers, agents and suppliers (and their respective officers, employees, agents, contractors or representatives) which, but for that provision, would give rise to a cause of action in contract, tort or under any other legal doctrine.

b. Customer Equipment. CUSTOMER EQUIPMENT MAY BE DAMAGED OR SUFFER SERVICE OUTAGES AS A RESULT OF THE INSTALLATION, SELF-INSTALLATION, USE, INSPECTION, MAINTENANCE, REPAIR, AND REMOVAL OF COMCAST EQUIPMENT AND THE SERVICES. EXCEPT FOR GROSS NEGLIGENCE OR WILLFUL MISCONDUCT, NEITHER COMCAST NOR ANY OF ITS AFFILIATES, SUPPLIERS, EMPLOYEES, AGENTS OR CONTRACTORS SHALL HAVE ANY LIABILITY WHATSOEVER FOR ANY DAMAGE, LOSS, OR DESTRUCTION TO THE CUSTOMER EQUIPMENT. IN THE EVENT OF GROSS NEGLIGENCE OR WILLFUL MISCONDUCT BY COMCAST, SUPPLIERS, EMPLOYEES, AGENTS OR CONTRACTORS, WE SHALL PAY AT OUR SOLE DISCRETION FOR THE REPAIR OR REPLACEMENT OF THE DAMAGED CUSTOMER EQUIPMENT UP TO A MAXIMUM OF \$500. THIS SHALL BE YOUR SOLE AND EXCLUSIVE REMEDY RELATING TO SUCH ACTIVITY.

• **For HSI Customers.** YOU UNDERSTAND THAT YOUR COMPUTER OR OTHER DEVICES MAY NEED TO BE OPENED, ACCESSED OR USED EITHER BY YOU OR BY US OR OUR AGENTS, IN CONNECTION WITH THE

INSTALLATION OR REPAIR OF HSI. THE OPENING, ACCESSING OR USE OF YOUR COMPUTER OR OTHER DEVICES USED IN CONNECTION WITH YOUR COMPUTER MAY VOID WARRANTIES PROVIDED BY THE COMPUTER OR DEVICE MANUFACTURER OR OTHER PARTIES RELATING TO THE COMPUTER'S OR DEVICE'S HARDWARE OR SOFTWARE. NEITHER COMCAST NOR ANY OF ITS AFFILIATES, SUPPLIERS, OR AGENTS SHALL HAVE ANY LIABILITY WHATSOEVER AS THE RESULT OF THE VOIDING OF ANY SUCH WARRANTIES.

c. Other Services or Equipment. BY ACCEPTING THIS AGREEMENT, YOU WAIVE ALL CLAIMS AGAINST COMCAST FOR INTERFERENCE, DISRUPTION, OR INCOMPATIBILITY BETWEEN THE COMCAST EQUIPMENT OR THE SERVICES AND ANY OTHER SERVICE, SYSTEMS, OR EQUIPMENT. IN THE EVENT OF SUCH INTERFERENCE, DISRUPTION, OR INCOMPATIBILITY, YOUR SOLE REMEDY SHALL BE TO TERMINATE THE SERVICES IN ACCORDANCE WITH SECTION 9.

d. Software. When you use certain features of the Services, such as online features (where available), you may require special software, applications, and/or access to the Internet. Comcast makes no representation or warranty that any software or application installed on Customer Equipment, downloaded from the Service, or available through the Internet does not contain a virus or other harmful feature. It is your sole responsibility to take appropriate precautions to protect any Customer Equipment from damage to its software, files, and data as a result of any such virus or other harmful feature. We may, but are not required to, terminate all or any portion of the installation or operation of the Services if a virus or other harmful feature or software is found to be present on your Customer Equipment. We are not required to provide you with any assistance in removal of viruses. If we decide, in our sole discretion, to install or run virus check software on your Customer Equipment, we make no representation or warranty that the virus check software will detect or correct any or all viruses. You acknowledge that you may incur additional charges for any service call made or required on account of any problem related to a virus or other harmful feature detected on your Customer Equipment. NEITHER COMCAST NOR ITS AFFILIATES, SUPPLIERS, EMPLOYEES, AGENTS OR CONTRACTORS SHALL HAVE ANY LIABILITY WHATSOEVER FOR ANY DAMAGE TO OR LOSS OF ANY HARDWARE, SOFTWARE, FILES, OR DATA RESULTING FROM A VIRUS, ANY OTHER HARMFUL FEATURE, OR FROM ANY ATTEMPT TO REMOVE IT. In addition, as part of the installation process for the software and other components of the Service, system files on your Customer Equipment may be modified. Comcast does not represent, warrant or covenant that these modifications will not disrupt the normal operations of any Customer Equipment including without limitation your computer(s), or cause the loss of files. Comcast does not represent, warrant, or covenant that the installation of the special software or applications or access to our Web portal(s) will not cause the loss of files or disrupt the normal operations of any Customer Equipment, including but not limited to your computer(s). FOR THESE AND OTHER REASONS, YOU ACKNOWLEDGE AND UNDERSTAND THE IMPORTANCE OF BACKING UP ALL FILES TO ANOTHER STORAGE MECHANISM PRIOR TO SUCH ACTIVITIES. YOU UNDERSTAND AND ACCEPT THE RISKS IF YOU DECIDE NOT TO BACK UP FILES. NEITHER COMCAST NOR ITS AFFILIATES, SUPPLIERS, EMPLOYEES, AGENTS OR CONTRACTORS SHALL HAVE ANY LIABILITY WHATSOEVER FOR ANY DAMAGE TO OR LOSS OF ANY SOFTWARE, FILES, OR DATA.

e. Disruption of Service. The Services are not fail-safe and are not designed or intended for use in situations requiring fail-safe performance or in which an error or interruption in the Services could lead to severe injury to business, persons, property or environment ("High Risk Activities"). These High Risk Activities may include, without limitation, vital business or personal communications, or activities where absolutely accurate data or information is required. You expressly assume the risks of any damages resulting from High Risk Activities. We shall not be liable for any inconvenience, loss, liability, or damage resulting from any interruption of the Services, directly or indirectly caused by, or proximately resulting from, any circumstances beyond our control, including, but not limited to, causes attributable to you or your property; inability to obtain access to the Premises; failure of any cable signal at the transmitter; failure of a communications satellite; loss of use of poles or other utility facilities; strike; labor dispute; riot or insurrection; war; explosion; malicious mischief; fire, flood, lightening, earthquake, wind, ice, extreme weather conditions or other acts of God; failure or reduction of power; or any court order, law, act or order of government restricting or prohibiting the operation or delivery of the Services. In all other cases of an interruption of the Services, you shall be entitled upon a request made within sixty (60) days of such interruption, to a pro rata credit for any Service interruption exceeding

twenty-four consecutive hours after such interruption is reported to us, or such other period of time as may be specifically provided by law. Unless specifically otherwise provided by law, such credit shall not exceed the fixed monthly charges for the month of such Service interruption and excludes all nonrecurring charges, one-time charges, per call or measured charges, regulatory fees and surcharges, taxes and other governmental and quasi-governmental fees. **EXCEPT AND UNLESS SPECIFICALLY PROHIBITED BY LAW, SUCH CREDIT SHALL BE YOUR SOLE AND EXCLUSIVE REMEDY FOR AN INTERRUPTION OF SERVICE. IN NO EVENT SHALL COMPANY BE LIABLE FOR ANY DIRECT, INDIRECT, INCIDENTAL, SPECIAL, EXEMPLARY, CONSEQUENTIAL OR PUNITIVE DAMAGES FROM WHATEVER CAUSE, INCLUDING, BUT NOT LIMITED TO, LOSS OF BUSINESS OR WAGES.** Any credits provided by Comcast are at our sole discretion and in no event shall constitute or be construed as a course of conduct by Comcast.

• **For New Jersey Customers.** Comcast will issue credit for cable television outages or service interruptions in accordance with N.J.A.C. 14:18-3.5.

f. Third Parties. Notwithstanding anything to the contrary in this Agreement, you acknowledge and understand that we may use third parties to provide components of the Services, including without limitation their services, equipment, infrastructure or content. Comcast is not responsible for the performance (or non-performance) of third-party services, equipment, infrastructure or content, whether or not they constitute components of the Services. Comcast shall not be bound by any undertaking, representation or warranty made by an agent or employee of Comcast or of our underlying third-party providers and suppliers in connection with the installation, maintenance or provision of the Services, if that undertaking, representation or warranty is inconsistent with the terms of this Agreement. In addition, you understand that you will have access to the services and content of third parties through the Service(s), including without limitation that of content providers (whether or not accessible directly from the Service). Comcast is not responsible for any services, equipment, infrastructure and content that are not provided by us (even if they are components of the Service), and we shall have no liability with respect to such services, equipment, infrastructure and content. You should address questions or concerns relating to such services, equipment, infrastructure and content to the providers of such services, equipment, infrastructure and content. We do not endorse or warrant any third-party products, services or content that are distributed or advertised over the Services.

g. Damages. EXCEPT AS SPECIFICALLY PROVIDED IN THIS AGREEMENT, NEITHER COMCAST NOR ITS AFFILIATES, SUPPLIERS, EMPLOYEES, AGENTS OR CONTRACTORS SHALL UNDER ANY CIRCUMSTANCES OR UNDER ANY LEGAL THEORY (INCLUDING BUT NOT LIMITED TO TORT OR CONTRACT) HAVE ANY LIABILITY TO THE CUSTOMER OR TO ANY OTHER PERSON OR ENTITY FOR THE FOLLOWING LOSSES, DAMAGES, OR COSTS: (1) ANY DIRECT, INDIRECT, INCIDENTAL, SPECIAL, TREBLE, PUNITIVE, EXEMPLARY, OR CONSEQUENTIAL LOSSES OR DAMAGES (INCLUDING BUT NOT LIMITED TO LOSS OF PROFITS, LOSS OF EARNINGS, LOSS OF BUSINESS OPPORTUNITIES, PERSONAL INJURIES OR DEATH) THAT RESULT DIRECTLY OR INDIRECTLY FROM OR IN CONNECTION WITH (a) YOUR RELIANCE ON OR USE OF THE COMCAST EQUIPMENT OR THE SERVICES OR (b) THE INSTALLATION, SELF-INSTALLATION, MAINTENANCE, FAILURE, OR REMOVAL OF THE SERVICES (INCLUDING BUT NOT LIMITED TO ANY MISTAKES, OMISSIONS, INTERRUPTIONS, COMPUTER OR OTHER HARDWARE OR SOFTWARE BREACH, FAILURES OR MALFUNCTIONS, DELETION OR CORRUPTION OF FILES, WORK STOPPAGE, ERRORS, DEFECTS, DELAYS IN OPERATION, DELAYS IN TRANSMISSION OR FAILURE OF PERFORMANCE OF THE SERVICE, THE COMCAST EQUIPMENT OR THE CUSTOMER EQUIPMENT, OR ANY OTHER MISTAKES, OMISSIONS, E-MAIL, OR OTHER INFORMATION OR DATA); OR (2) ANY LOSSES, CLAIMS, DAMAGES, EXPENSES, LIABILITIES, LEGAL FEES, OR OTHER COSTS THAT RESULT DIRECTLY OR INDIRECTLY FROM OR IN CONNECTION WITH ANY ALLEGATION, CLAIM, SUIT, OR OTHER PROCEEDING BASED UPON A CONTENTION THAT THE USE OF THE COMCAST EQUIPMENT OR THE SERVICES BY YOU OR ANY OTHER PERSON OR ENTITY INFRINGES UPON THE CONTRACTUAL RIGHTS, PRIVACY, CONFIDENTIALITY, COPYRIGHT, PATENT, TRADEMARK, TRADE SECRET, OR OTHER INTELLECTUAL PROPERTY RIGHTS OF ANY THIRD PARTY.

h. Customer's Sole Remedies. Your sole and exclusive remedies under this Agreement are as expressly set forth in this Agreement. Certain of the above limitations may not apply if your state does not allow the exclusion or limitation of

implied warranties or does not allow the limitation or exclusion of incidental or consequential damages. In those states, the liability of Comcast and its employee, affiliates, suppliers, agents and contractors is limited to the maximum extent permitted by law.

i. Survival of Limitations. All representations, warranties, indemnifications, and limitations of liability contained in this Agreement shall survive the termination of this Agreement; any other obligations of the parties hereunder shall also survive, if they relate to the period before termination or if, by their terms, they would be expected to survive such termination.

12. INDEMNIFICATION AND LIABILITY OF CUSTOMER

YOU AGREE THAT YOU SHALL BE RESPONSIBLE FOR AND SHALL DEFEND, INDEMNIFY, AND HOLD HARMLESS COMCAST AND ITS EMPLOYEES, AFFILIATES, SUPPLIERS, AGENTS AND CONTRACTORS AND SHALL REIMBURSE US FOR ANY DAMAGES, LOSSES OR EXPENSES (INCLUDING WITHOUT LIMITATION, REASONABLE ATTORNEY'S FEES AND COSTS) INCURRED BY US IN CONNECTION WITH ANY CLAIMS, SUITS, JUDGMENTS AND CAUSES OF ACTION ARISING OUT OF (a) YOUR USE OF THE SERVICE OR COMCAST EQUIPMENT; (b) VIOLATION OR INFRINGEMENT OF CONTRACTUAL RIGHTS, PRIVACY, CONFIDENTIALITY, COPYRIGHT, PATENT, TRADEMARK, TRADE SECRET, OR OTHER INTELLECTUAL PROPERTY AND PROPRIETARY RIGHTS ARISING FROM YOUR USE OF THE SERVICE OR ANY UNAUTHORIZED APPARATUS OR SYSTEM; AND (c) YOUR BREACH OF ANY PROVISION OF THIS AGREEMENT.

13. BINDING ARBITRATION

a. Purpose. If you have a Dispute (as defined below) with Comcast that cannot be resolved through the informal dispute resolution process described in this Agreement, you or Comcast may elect to arbitrate that Dispute in accordance with the terms of this Arbitration Provision rather than litigate the Dispute in court. Arbitration means you will have a fair hearing before a neutral arbitrator instead of in a court by a judge or jury.

b. Definitions. As used in this Arbitration Provision, the term "Dispute" means any dispute, claim or controversy between you and Comcast regarding any aspect of your relationship with Comcast that has accrued or may hereafter accrue, whether based in contract, statute, regulation, ordinance, tort (including, but not limited to, fraud, misrepresentation, fraudulent inducement, negligence or any other intentional tort), or any other legal or equitable theory, and includes the validity, enforceability or scope of this Arbitration Provision (with the exception of the enforceability of the class action waiver clause provided in paragraph F(2)). "Dispute" is to be given the broadest possible meaning that will be enforced. As used in this Provision, "Comcast" means Comcast Cable Communications, LLC., its officers, directors, employees and agents, and all entities using the brand name "Comcast", including your local cable company, its employees, authorized agents, and its parents, subsidiaries and affiliated companies. As used in this Provision, the term "Arbitration Provision" means all the terms of this Section 13.

c. Right to Opt Out. IF YOU DO NOT WISH TO BE BOUND BY THIS ARBITRATION PROVISION, YOU MUST NOTIFY COMCAST IN WRITING WITHIN 30 DAYS OF THE DATE THAT YOU FIRST RECEIVE THIS AGREEMENT BY VISITING WWW.COMCAST.COM/ARBITRATIONOPTOUT, OR BY MAIL TO COMCAST 1500 MARKET ST., PHILADELPHIA, PA 19102 ATTN: LEGAL DEPARTMENT/ARBITRATION. YOUR WRITTEN NOTIFICATION TO COMCAST MUST INCLUDE YOUR NAME, ADDRESS AND COMCAST ACCOUNT NUMBER AS WELL AS A CLEAR STATEMENT THAT YOU DO NOT WISH TO RESOLVE DISPUTES WITH COMCAST THROUGH ARBITRATION. YOUR DECISION TO OPT OUT OF THIS ARBITRATION PROVISION WILL HAVE NO ADVERSE EFFECT ON YOUR RELATIONSHIP WITH COMCAST OR THE DELIVERY OF SERVICES TO YOU BY COMCAST. IF YOU HAVE PREVIOUSLY NOTIFIED COMCAST OF YOUR DECISION TO OPT OUT OF ARBITRATION, YOU DO NOT NEED TO DO SO AGAIN.

d. Initiation of Arbitration Proceeding/Selection of Arbitrator. If you or Comcast elect to resolve your Dispute through arbitration pursuant to this Arbitration Provision, the party initiating the arbitration proceeding may select from the following arbitration organizations, which will apply the appropriate rules for consumer claims to arbitrate the Dispute:

1. American Arbitration Association ("AAA"), 335 Madison Ave., Floor 10, New York, NY 10017-4605, 1-800-778-7879, www.adr.org

Consolidated North New Jersey

Date of Issue: May 2, 2012

Effective: May 9, 2012
or the first bill thereafter

2. National Arbitration Forum ("NAF"), P.O. Box 50191, Minneapolis, MN 55405-0191, 1-800-474-2371, www.arbitration-forum.com

e. Arbitration Procedures. Because the Service(s) provided to you by Comcast concerns interstate commerce, the Federal Arbitration Act ("FAA"), not state arbitration law, shall govern the arbitrability of all Disputes. However, applicable federal law or the law of the state where you receive the service from Comcast may apply to and govern the substance of any Disputes. Any state statutes pertaining to arbitration shall not be applicable under this Arbitration Provision. If there is a conflict between this Arbitration Provision and the rules of the arbitration organization chosen, this Arbitration Provision shall govern. If the arbitration organization that you select will not enforce this Arbitration Provision as written, it cannot serve as the arbitration organization to resolve your dispute with Comcast. If this situation arises, the parties shall agree on a substitute arbitration organization. If the parties are unable to agree, the parties shall mutually petition a court of appropriate jurisdiction to appoint an arbitration organization that will enforce this Arbitration Provision as written. If there is a conflict between this Arbitration Provision and the rest of this Agreement, this Arbitration Provision shall govern. A single arbitrator will resolve the Dispute. You should know that participating in arbitration may result in limited discovery depending on the rules of the arbitration organization that is chosen to resolve the Dispute. The arbitrator will honor claims of privilege recognized by law and will take reasonable steps to protect customer account information and other confidential or proprietary information. The arbitrator will make any award in writing but need not provide a statement of reasons unless requested by a party. An award rendered by the arbitrator may be entered in any court having jurisdiction over the parties for purposes of enforcement. If an award granted by the arbitrator exceeds \$75,000, either party can appeal that award to a three-arbitrator panel administered by the same arbitration organization by a written notice of appeal filed within thirty (30) days from the date of entry of the written arbitration award. The members of the three-arbitrator panel will be selected according to the rules of the arbitration organization. The arbitration organization will then notify the other party that the award has been appealed. The three-arbitrator panel will issue its decision within one hundred and twenty (120) days of the date of the appealing party's notice of appeal. The decision of the three-arbitrator panel shall be final and binding, except for any appellate right which exists under the FAA.

f. Restrictions:

1. YOU MUST CONTACT US WITHIN ONE (1) YEAR OF THE DATE OF THE OCCURRENCE OF THE EVENT OR FACTS GIVING RISE TO A DISPUTE (EXCEPT FOR BILLING DISPUTES WHICH ARE SUBJECT TO SECTION 3 OF THE AGREEMENT), OR YOU WAIVE THE RIGHT TO PURSUE ANY CLAIM BASED UPON SUCH EVENT, FACTS OR DISPUTE.

2. ALL PARTIES TO THE ARBITRATION MUST BE INDIVIDUALLY NAMED. THERE SHALL BE NO RIGHT OR AUTHORITY FOR ANY CLAIMS TO BE ARBITRATED OR LITIGATED ON A CLASS ACTION OR CONSOLIDATED BASIS OR ON BASES INVOLVING CLAIMS BROUGHT IN A PURPORTED REPRESENTATIVE CAPACITY ON BEHALF OF THE GENERAL PUBLIC (SUCH AS A PRIVATE ATTORNEY GENERAL), OTHER SUBSCRIBERS, OR OTHER PERSONS SIMILARLY SITUATED UNLESS THE STATUTE UNDER WHICH YOU ARE SUING PROVIDES OTHERWISE.

3. ALL PARTIES WAIVE ANY CLAIM TO INDIRECT, CONSEQUENTIAL, PUNITIVE, EXEMPLARY OR MULTIPLIED DAMAGES ARISING FROM OR OUT OF ANY DISPUTE WITH COMCAST UNLESS THE STATUTE UNDER WHICH THEY ARE SUING PROVIDES OTHERWISE.

g. Location of Arbitration. The arbitration will take place at a location, convenient to you, in the area where you receive the service from us.

h. Payment of Arbitration Fees and Costs. COMCAST WILL ADVANCE ALL ARBITRATION FILING FEES AND ARBITRATOR'S COSTS AND EXPENSES UPON YOUR WRITTEN REQUEST GIVEN PRIOR TO THE COMMENCEMENT OF THE ARBITRATION. YOU ARE RESPONSIBLE FOR ALL ADDITIONAL COSTS THAT YOU INCUR IN THE ARBITRATION, INCLUDING, BUT NOT LIMITED TO, ATTORNEYS OR EXPERT WITNESSES. IF THE ARBITRATION PROCEEDING IS DECIDED IN COMCAST'S FAVOR, YOU SHALL REIMBURSE COMCAST FOR THE FEES AND COSTS ADVANCED TO YOU ONLY UP TO THE EXTENT AWARDBLE IN A JUDICIAL PROCEEDING. IF THE ARBITRATION PROCEEDING IS DETERMINED IN YOUR FAVOR, YOU WILL NOT BE REQUIRED TO REIMBURSE COMCAST FOR ANY OF THE FEES AND

COSTS ADVANCED BY COMCAST. IF A PARTY ELECTS TO APPEAL AN AWARD TO A THREE-ARBITRATOR PANEL, THE PREVAILING PARTY IN THE APPEAL SHALL BE ENTITLED TO RECOVER ALL REASONABLE ATTORNEYS' FEES AND COSTS INCURRED IN THAT APPEAL. NOTWITHSTANDING ANYTHING TO THE CONTRARY IN THIS ARBITRATION PROVISION, COMCAST WILL PAY ALL FEES AND COSTS WHICH IT IS REQUIRED BY LAW TO PAY.

i. Severability. If any clause within this Arbitration Provision (other than the class action waiver clause identified in paragraph F(2)) is found to be illegal or unenforceable, that clause will be severed from this Arbitration Provision, and the remainder of this Arbitration Provision will be given full force and effect. If the class action waiver clause is found to be illegal or unenforceable, the entire Arbitration Provision will be unenforceable, and the dispute will be decided by a court. In the event this entire Arbitration Provision is determined to be illegal or unenforceable for any reason, or if a claim is brought in a Dispute that is found by a court to be excluded from the scope of this Arbitration Provision, you and Comcast have each agreed to waive, to the fullest extent allowed by law, any trial by jury.

j. Exclusions from Arbitration. YOU AND COMCAST AGREE THAT THE FOLLOWING WILL NOT BE SUBJECT TO ARBITRATION: (1) ANY CLAIM FILED BY YOU OR BY COMCAST THAT IS NOT AGGREGATED WITH THE CLAIM OF ANY OTHER SUBSCRIBER AND WHOSE AMOUNT IN CONTROVERSY IS PROPERLY WITHIN THE JURISDICTION OF A COURT WHICH IS LIMITED TO ADJUDICATING SMALL CLAIMS; (2) ANY DISPUTE OVER THE VALIDITY OF ANY PARTY'S INTELLECTUAL PROPERTY RIGHTS; (3) ANY DISPUTE RELATED TO OR ARISING FROM ALLEGATIONS ASSOCIATED WITH UNAUTHORIZED USE OR RECEIPT OF SERVICE; (4) ANY DISPUTE THAT ARISES BETWEEN COMCAST AND ANY STATE OR LOCAL REGULATORY AUTHORITY OR AGENCY THAT IS EMPOWERED BY FEDERAL, STATE OR LOCAL LAW TO GRANT A FRANCHISE UNDER 47 U.S.C. § 522(9); AND (5) ANY DISPUTE THAT YOU PURSUE BEFORE THE LOCAL FRANCHISE AUTHORITY UNDER THE TERMS OF THE FRANCHISE.

k. Continuation. This Arbitration Provision shall survive the termination of your Service(s) with Comcast.

SPECIAL NOTE REGARDING ARBITRATION FOR CALIFORNIA CUSTOMERS:

IF YOU ARE A COMCAST CUSTOMER IN CALIFORNIA, COMCAST WILL NOT SEEK TO ENFORCE THE ARBITRATION PROVISION ABOVE UNLESS WE HAVE NOTIFIED YOU OTHERWISE.

14. CUSTOMER PRIVACY NOTICE AND SECURITY

a. Comcast will provide you with a copy of our customer privacy notice at the time we enter into an agreement to provide any Service to you, and annually afterwards, or as otherwise permitted by law. You can view the most current version of our privacy notice by going to www.comcast.com/privacy.

b. To the extent that Comcast is expressly required to do so by applicable law, we will provide notice to you of a breach of the security of certain personally identifiable information about you. It is Comcast's information security policy to provide such notice to you in the manner set forth in Section 16.

15. GENERAL

a. Entire Agreement. This Agreement and any other documents incorporated by reference constitute the entire agreement and understanding between the parties with respect to the subject matter of this Agreement, and they replace any and all prior written or verbal agreements. If any portion of this Agreement is held to be unenforceable, the unenforceable portion shall be construed in accordance with applicable law as nearly as possible to reflect the original intentions of the parties, and the remainder of the provisions shall remain in full force and effect. If Comcast fails to insist upon or enforce strict performance of any provision of this Agreement, it shall not thereby waive any provision or right. Neither the course of conduct between the parties nor trade practice shall act to modify any provision of this Agreement.

b. Additional Representations and Warranties. In addition to representations and warranties you make elsewhere in this Agreement, you also represent and warrant that:

i. Age: You are at least 18 years of age.

ii. Customer Information: During the term of this Agreement, you have provided and will provide to Comcast information that is accurate, complete and current, including without limitation your legal name, address, telephone number(s), the number of devices on which or through the Service(s) is being used and payment data (including without limitation information provided when authorizing recurring payments). You agree to notify us promptly, in accordance

with the terms of this Agreement, if there is any change in the information that you have provided to us. Failure to provide and maintain accurate information is a breach of this Agreement.

c. Information Provided to Third Parties. Comcast is not responsible for any information provided by you to third parties, and this information is not subject to the privacy provisions of this Agreement or the privacy notice for the Services. You assume all privacy, security and other risks associated with providing CPNI or personally identifiable information to third parties via the Services. For a description of the privacy protections associated with providing information to third parties, you should refer to the privacy policies, if any, provided by those third parties.

d. Revocable License. The Services and Comcast Equipment, including but not limited to any firmware or software embedded in the Comcast Equipment or used to provide the Services, are protected by trademark, copyright, patent and/or other intellectual property laws and international treaty provisions. You are granted a revocable license to use such firmware and software in object code form (without making any modification thereto) strictly in accordance with this Agreement. You acknowledge and understand that you are not granted any other license to use the firmware or software embedded in the Comcast Equipment or used to provide the Services. You expressly agree that you will use the Comcast Equipment exclusively in connection with the Services. You shall not take any action nor allow anyone else to take any action that will reverse compile, disassemble, or reverse engineer or otherwise attempt to derive the source code from the binary code of the firmware or software.

e. Protection of Comcast's Information and Marks. All Service information, documents, and materials on our Web sites are protected by trademark, copyright or other intellectual property laws, and international treaty provisions. All Web sites, corporate names, service marks, trademarks, trade names, logos, and domain names (collectively "marks") of Comcast and its affiliates are and shall remain the exclusive property of Comcast. Nothing in this Agreement shall grant you the right or license to use any of the marks.

f. Export Laws. You expressly agree to comply with all applicable export and re-export laws, including but not limited to the Export Administration Act, the Arms Export Control Act, and their implementing regulations. You further expressly agree not to use the Services in any way that violates any provision of such laws or their implementing regulations.

g. Retention of Rights. Nothing contained in this Agreement shall be construed to limit Comcast's rights and remedies available at law or in equity. Upon termination of this Agreement for any reason, Comcast and its suppliers reserve the right to delete all your data, files, electronic messages or other Customer information that is stored on Comcast's or its suppliers' servers or systems. In addition, you may forfeit your account user name and all e-mail, IP, web space addresses and voice mail. In the event you cancel CDV without porting your voice service and the telephone number to another service provider, you will forfeit the telephone number. We shall have no liability whatsoever as the result of the loss of any such data, names, addresses or numbers.

16. NOTICE METHOD FOR CHANGES TO THIS AGREEMENT

We will provide you notice of changes to this Agreement consistent with applicable law. The notice may be provided on your monthly bill, as a bill insert, in a newspaper, by e-mail, or by other permitted communication. If you find the change unacceptable, you have the right to cancel your Services. However, if you continue to receive Services after the change, we will consider this your acceptance of the change.

• **For HSI Customers.** Comcast may deliver any required or desired notice to you in any of the following ways, as determined in our sole discretion: (1) by posting it on www.comcast.net, www.comcast.com or another Web site about which you have been notified, (2) by sending notice via first class U.S. postal mail or overnight mail to your Premises; (3) by sending notice to the email address on Comcast's account records, or (iv) by hand delivery. You agree that any one of the foregoing will constitute sufficient notice and you waive any claims that these forms of notice are insufficient or ineffective. Because we may from time to time notify you about important information regarding the Services and this Agreement by these methods, you agree to regularly check your postal mail, e-mail and all postings at www.comcast.net, www.comcast.com or on another Web site about which you have been notified or you bear the risk of failing to do so.

ADDITIONAL PROVISIONS APPLICABLE TO HIGH-SPEED INTERNET SERVICE

In addition to the provisions above that are applicable to Comcast Video, HSI and CDV, the following are specifically applicable to HSI Customers, including the Software License Agreement attached as Exhibit A to this Agreement.

1. INTELLECTUAL PROPERTY RIGHTS

a. End User Licenses. You agree to comply with the terms and conditions of all end user license agreements accompanying any software or plug-ins to such software distributed or used in connection with HSI including, without limitation, the Comcast Software License Agreement, as these agreements may be amended from time to time. All such agreements are incorporated in this Agreement by reference. When this Agreement terminates, all end user licenses also terminate; you agree to destroy at that time all versions and copies of all software received by you in connection with HSI.

b. Ownership of Addresses. You acknowledge that use of HSI does not give you any ownership or other rights in any Internet/on-line addresses provided to you, including but not limited to Internet Protocol ("IP") addresses, e-mail addresses and Web addresses. We may modify or change these addresses at any time without notice and shall in no way be required to compensate you for these changes.

c. Authorization. Comcast does not claim any ownership of any material that you publish, transmit or distribute using HSI. By using HSI to publish, transmit or distribute material or content, you (1) warrant that the material or content complies with the provisions of this Agreement, (2) consent to and authorize Comcast, its agents, suppliers, and affiliates to reproduce, publish, distribute, and display the content worldwide and (3) warrant that you have the right to provide this authorization. You acknowledge that material posted or transmitted using HSI may be copied, republished or distributed by third parties, and you agree to indemnify, defend and hold harmless Comcast, its agents, suppliers, and affiliates for any harm resulting from these actions.

d. Copyright. Title and intellectual property rights to HSI are owned by Comcast, its agents, suppliers, or affiliates or their licensors or otherwise by the owners of such material and are protected by copyright laws and treaties. You may not copy, redistribute, resell or publish any part of HSI without express prior written consent from Comcast or other owner of such material.

e. Material Downloaded through HSI. In addition to any content that may be provided by us, you may access material through HSI that is not owned by Comcast. Specific terms and conditions may apply to your use of any content or material made available through HSI that is not owned by Comcast. You should read those terms and conditions to learn how they apply to you and your use of any non-Comcast content.

2. IP ADDRESSES

Comcast will provide you with dynamic Internet protocol ("IP") address(es) as a component of HSI, and these IP address(es) can and do change over time. You will not alter, modify, or tamper with dynamic IP address(es) assigned to you or any other customer. You agree not to use a dynamic domain name server or DNS to associate a host name with the dynamic IP address(es) for any commercial purpose. You also agree not to use any software that provides for static IP address(es) on or in conjunction with any computer(s) or network device connected to HSI. If applicable, Comcast will release and/or recover the dynamic IP address(es) when the Service is disconnected, discontinued, or this Agreement is terminated.

3. ADDITIONAL LIMITATIONS ON COMCAST'S LIABILITY FOR HSI

a. Responsibility for Content. You acknowledge that there is some content and material on the Internet or otherwise available through HSI which may be offensive to some individuals, may be unsuitable for children, may violate federal, state or local laws, rules or regulations or may violate your protected rights or those of others. We assume no responsibility for this content or material. Anyone who accesses such content and material does so at his or her own risk. NEITHER COMCAST NOR ITS AFFILIATES, SUPPLIERS, EMPLOYEES, AGENTS OR CONTRACTORS SHALL HAVE ANY LIABILITY WHATSOEVER FOR ANY CLAIMS, LOSSES, ACTIONS, DAMAGES, SUITS OR PROCEEDINGS ARISING OUT OF OR OTHERWISE RELATING TO ACCESS TO SUCH CONTENT OR MATERIAL BY YOU OR OTHERS. Questions or complaints regarding content or material should be addressed to the content or material provider. You acknowledge that software programs are commercially available that claim to be able to restrict access to sexually explicit or other objectionable material on the Internet. We make no representation or warranty regarding the effectiveness of such programs.

b. Monitoring of Postings and Transmissions. Comcast shall have no obligation to monitor postings or transmissions made in connection with HSI. However, you acknowledge and agree that Comcast and its agents have the right to monitor, from time to time, any such postings and transmissions, including without limitation e-mail, newsgroups, chat, IP audio and video, and Web space content. Comcast may also use and disclose them in accordance with the Comcast High-Speed Internet Acceptable Use Policy and other applicable policies, and as otherwise required by law or government request. We reserve the right to refuse to upload, post, publish, transmit or store any information or materials, in whole or in part, that, in our sole discretion, is unacceptable, undesirable or in violation of this Agreement.

c. Eavesdropping. Our facilities are used by numerous persons or entities including, without limitation, other subscribers to HSI. As a result, there is a risk that you could be subject to "eavesdropping." This means that other persons or entities may be able to access and/or monitor your use of HSI. This risk of eavesdropping exists not only with our facilities, but also on the Internet and other services to which access is provided as a part of HSI. If you post, store, transmit, or disseminate any sensitive or confidential information, you do so at your sole risk. NEITHER COMCAST NOR ITS AFFILIATES, SUPPLIERS, OR AGENTS SHALL HAVE ANY LIABILITY WHATSOEVER FOR ANY CLAIMS, LOSSES, ACTIONS, DAMAGES, SUITS OR PROCEEDINGS ARISING OUT OF OR OTHERWISE RELATING TO SUCH ACTIONS BY YOU. You acknowledge that software programs are commercially available that claim to be capable of encryption or anonymization. We make no representation or warranty regarding the effectiveness of these programs.

d. FTP/HTTP Service Setup. You acknowledge that when using HSI there are certain applications such as FTP (File Transfer Protocol) or HTTP (Hyper Text Transfer Protocol) which may be used by other persons or entities to gain access to Customer's Equipment. You are solely responsible for the security of the Customer Equipment or any other equipment you choose to use in connection with the Service, including without limitation any data stored on such equipment. NEITHER COMCAST NOR ITS AFFILIATES, SUPPLIERS, EMPLOYEES, AGENTS OR CONTRACTORS SHALL HAVE ANY LIABILITY WHATSOEVER FOR ANY CLAIMS, LOSSES, ACTIONS, DAMAGES, SUITS OR PROCEEDINGS RESULTING FROM, ARISING OUT OF OR OTHERWISE RELATING TO THE USE OF SUCH APPLICATIONS BY YOU, OR THE ACCESS BY OTHERS TO THE CUSTOMER EQUIPMENT OR OTHER EQUIPMENT OF YOURS.

e. File and Print Sharing. HSI may function in some ways as a Local Area Network (LAN) with each Customer constituting a node on the network. As such, users outside of the Premises may be able to access the Customer Equipment and other equipment connected in some way to the Customer Equipment. In addition, some available software includes capabilities that will permit other users to gain access to the Customer Equipment and other equipment connected in some way to the Customer Equipment, and to the software, files and data stored on such equipment. Unless you are subject to a HSI service plan that expressly provides otherwise, we recommend that you connect only a single computer to HSI and that you disable file and print sharing and other capabilities that allow outside users to gain access to the Customer Equipment. You acknowledge that if you fail to follow these recommendations and choose to run these applications, you should take appropriate security measures, and that you do so at your sole risk. NEITHER COMCAST NOR ITS AFFILIATES, SUPPLIERS, OR AGENTS SHALL HAVE ANY LIABILITY WHATSOEVER FOR ANY CLAIMS, LOSSES, ACTIONS, DAMAGES, SUITS OR PROCEEDINGS RESULTING FROM, ARISING OUT OF OR OTHERWISE RELATING TO ACCESS BY OTHERS OF THE CUSTOMER EQUIPMENT OR ANY OTHER EQUIPMENT CONNECTED IN SOME WAY TO THE CUSTOMER EQUIPMENT, OR TO THE SOFTWARE, FILES AND DATA STORED ON SUCH EQUIPMENT.

f. Facilities Allocation. Comcast reserves the right to determine, in its discretion, and on an ongoing basis, the nature and extent of its facilities allocated to support HSI, including, but not limited to, the amount of bandwidth to be utilized and delivered in conjunction with HSI.

g. Cookies. You acknowledge that accessing certain Web sites through HSI may result in a "cookie" being placed on your computer system. Cookies are small files stored on a computer's hard drive to simplify and improve a user's Web experience. If you don't want them placed on your computer system, it is your responsibility to disable or restrict the placement of cookies through whatever procedures are available on your browser.

EXHIBIT A: COMCAST SOFTWARE LICENSE AGREEMENT

IMPORTANT — READ CAREFULLY: BY USING ANY SOFTWARE PROVIDED TO YOU IN CONNECTION WITH THE COMCAST HIGH-SPEED INTERNET SERVICE, YOU ACKNOWLEDGE THAT YOU HAVE READ THIS SOFTWARE LICENSE AGREEMENT, THAT YOU UNDERSTAND IT, AND THAT YOU AGREE TO BE BOUND BY ITS TERMS.

1. GRANT OF LIMITED LICENSE

The operating company subsidiary of Comcast Corporation that owns and/or operates the cable television system in your area pursuant to a cable television franchise with the local franchising authority, or its affiliate, ("Comcast") grants you (which for purposes of this Software License Agreement shall include members of your immediate household for whom you will be responsible hereunder), without additional fee or charge to you, a nonexclusive limited, personal and nontransferable license, with restrictions as described below, to install and use any software program, in object code only, provided to you by, or on behalf of, Comcast in connection with the Comcast High-Speed Internet service (the "Software"), which includes any documentation accompanying the Software, for the sole purpose of using the Comcast High-Speed Internet service, and to make one (1) backup copy of the Software, provided that (a) the Software is installed on only the number of personal computers authorized by Comcast (which number shall be one (1) unless otherwise agreed to by Comcast), (b) the Software may NOT be modified; (c) all copyright notices are maintained on the Software; and (d) you agree to be bound by all the terms of this Software License Agreement. Software is only for your own personal, non-commercial use and not for use in the operation of a business or service bureau or for the benefit of any other person or entity.

2. NO OWNERSHIP RIGHTS

You have no ownership rights in any Software. Rather, you have a limited license to use the Software as long as this Software License Agreement remains in full force and effect. Ownership of the Software and all intellectual property rights therein shall remain at all times with Comcast and/or its licensors. Any use of Software by any other person, business, corporation, government organization or any other entity is strictly forbidden and is a violation of this Software License Agreement.

3. THIRD PARTY SOFTWARE

There are software programs contained within certain Software that have been licensed to Comcast by third parties. The term "Software" as used herein shall refer to such third party software except where the term Software refers expressly to the ownership or other specific rights of Comcast. The same terms and conditions, including all limitations and restrictions, set forth in this Software License Agreement apply to each third party software program contained in the Software.

4. INTELLECTUAL PROPERTY AND PRIVACY

a. The Software contains material that is protected by United States Copyright Law and trade secret law, and by international treaty provisions. All rights not specifically granted to you herein are reserved to Comcast and to any third party with ownership rights in Software and documentation used in the Software. You may not remove any proprietary notice of Comcast or any other party from any copy of Software or documentation.

b. Some features of certain Software are provided by third parties, and those third parties may collect or transmit personally identifiable and non-personally identifiable information about you in the course of providing these features. These third parties are not authorized to use your personally identifiable information except for the purpose of providing their services to you through Software. Your use of Software is subject to the terms of the Comcast Customer Privacy Notice, the Comcast Acceptable Use Policy and other applicable terms and policies.

5. RESTRICTIONS AND REQUIREMENTS

a. This Software License Agreement is your proof of license to exercise the rights granted herein. In order to satisfy your obligations hereunder and to maintain the confidentiality of the Software, you must take reasonable steps to protect the Software consistent with the license restrictions set forth herein and Comcast's and other third parties' ownership rights in the Software, including informing anyone permitted access to your computer and the Software about such restrictions on the use of the Software.

b. As a condition of the limited license for the Software you may not: (1) publish, display, disclose, rent, lease, modify, loan, distribute, or create derivative works based on the Software or any part thereof; (2) reverse engineer, decompile,

translate, adapt, disassemble or otherwise reduce the Software to human readable form; (3) attempt to create the source code from the object code for the Software; (4) transmit the Software over any network or between any devices, although you may use the Software to make such transmissions of other materials; (5) make any third party software contained in the Software a stand-alone product; (6) take any action that will infringe on the intellectual property or other proprietary rights of Comcast or any third party software provider; or (7) sublicense, rent, lease, or assign the Software. You may transfer the Software to other computers you own as long as you only use it on only the number of computers authorized by Comcast.

c. If Comcast informs you, by any method described in the Comcast Customer Agreement to which this Software License Agreement is attached (the "Agreement"), that any enhancements or upgrades are available for the Software, or that the Software otherwise is being modified by Comcast, you will take prompt action to download such enhancements, upgrades or changes, or otherwise obtain such enhancements, upgrades or changes in the manner directed by Comcast, within the time frame stated in the notice. If you fail to do so, you acknowledge that the Software may not work correctly or that you will not be able to take advantage of all available features of the Software after the stated period in the notice.

d. You have the obligation to protect yourself and minimize any damages you might suffer if the Software or any portion thereof, has a defect or fails for any reason.

6. DISCLAIMER OF WARRANTIES AND OTHER DISCLAIMERS

a. The Software is provided "AS IS." To the maximum extent permitted by law, Comcast makes NO WARRANTIES OF ANY KIND, EITHER EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE.

Additionally, Comcast makes NO WARRANTIES with respect to lack of viruses, accuracy or completeness of responses, results or lack of negligence, correspondence to description, warranty of title or non-infringement. Comcast does NOT WARRANT that the functions contained in the Software will meet any requirements or needs you may have, or that the Software will operate error free, or in an uninterrupted fashion, or that any defects or errors in the Software will be corrected, or that the Software is compatible with any particular platform. Comcast reserves the right to modify the Software at any time. Comcast is not obligated to provide any updates to the Software. Any use by you of the Software is at your own risk.

b. The Software may include one or more features intended to protect your computer from unauthorized access, viruses, "phishing" or other harmful activities. The Software may be useful in diminishing the number of times that your computer will be affected by such harmful activities, but neither Comcast nor the providers of any particular Software can guarantee that the Software will prevent all such harmful activities or that bad actors will not find ways to circumvent the Software. Any ratings of Web sites provided through Software are designed to help you acquire the information you need to help you make your own decisions about whether or not to exchange sensitive or confidential information with a particular Web site, and are not intended to serve as a guarantee of the trustworthiness of a domain or Web site. As such, you should remain vigilant in your use of the Internet. THE LIABILITY OF COMCAST AND THE OTHER PROVIDERS OF THE SOFTWARE TO YOU IS EXPRESSLY LIMITED AS SET FORTH BELOW AND THAT BY USING THE SOFTWARE YOU ACCEPT AND AGREE TO THESE LIMITATIONS.

7. LIMITATION OF LIABILITY AND DAMAGES

You assume full and complete responsibility and liability for your use of the Software. Except as specifically provided in this Agreement, IN NO EVENT WILL COMCAST, OR ANY OTHER ENTITY THAT HAS PROVIDED ANY OF THE SOFTWARE, BE LIABLE TO YOU OR ANY THIRD PARTY FOR ANY DIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES (INCLUDING, WITHOUT LIMITATION, INDIRECT, SPECIAL, PUNITIVE, OR EXEMPLARY DAMAGES FOR LOSS OF BUSINESS, LOSS OF PROFITS, BUSINESS INTERRUPTION, INFRINGEMENT OF INTELLECTUAL PROPERTY RIGHTS OF THIRD PARTIES OR LOSS OF BUSINESS INFORMATION OR OTHER DATA) ARISING OUT OF THE USE OF OR INABILITY TO USE THE SOFTWARE, OR FOR ANY CLAIM BY ANY OTHER PARTY, EVEN IF COMCAST HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. (Certain laws in some states do not allow the exclusion of implied warranties or the limitation of certain damages. If such laws apply, certain of the exclusions or limitations in this Software License Agreement may not be applicable to you.)

8. EXPORT RESTRICTIONS

This Software License Agreement is expressly made subject to any laws, regulations, orders, or other restrictions on the export from the United States of America of the Software or information about such Software that may be imposed from time to time by the government of the United States of America. You shall not export the Software, or any portion thereof, or information about the Software without consent of Comcast and compliance with such laws, regulations, orders, or other restrictions.

9. TERMINATION

This Software License Agreement is effective only during the term of this Agreement and shall terminate upon any termination of this Agreement. You may terminate this Software License Agreement at any time by destroying or returning to Comcast all copies of the Software and associated documentation in your possession or under your control and terminating this Agreement. This Software License Agreement will terminate: (a) at any time that this Agreement is terminated or (b) if Comcast finds that you have violated any of the terms of this Software License Agreement. Upon termination, you agree to destroy or return to Comcast all copies of the Software and documentation and, upon Comcast's request, to certify in writing that all known copies, including backup copies, have been destroyed. No waiver of any breach of any provision of this Software License Agreement shall constitute a waiver of any prior, concurrent or subsequent breach of the same or any other provisions hereof, and no waiver shall be effective unless it is made in writing and is signed by an authorized representative of the waiving party. All provisions relating to confidentiality, proprietary rights, and nondisclosure shall survive the termination of this Software License Agreement.

10. GENERAL

- a. Disputes under this Software License Agreement shall be construed, interpreted and governed in accordance with Section 13 of this Agreement.
- b. Comcast may modify the Software and may amend or modify this Software License Agreement at any time in its sole discretion upon notice to you. Comcast will notify you of any such modifications or amendments as provided in this Agreement. Customer agrees that any methods set forth therein will constitute sufficient notice of any change to this Software License Agreement. Your continued use of the Software following notice of such change shall be deemed to be your acceptance of any such change. If you do not agree to any such change, you must immediately stop using the Software and notify Comcast that you are terminating this Software License Agreement and this Agreement. You may not amend or modify this Software License Agreement without Comcast's prior written consent, which we may provide or withhold in our sole discretion. Any attempt by you to amend or modify this Software License Agreement by any other means, including but not limited to, a check notation, a restrictive endorsement, or a note with a payment, is invalid and unenforceable.
- c. Comcast may assign its rights and obligations under this Software License Agreement, without notice, to (1) any affiliate of Comcast, (2) to any party (or its affiliate) acquiring all or substantially all of the assets or stock, by merger or otherwise, of Comcast or any affiliate of Comcast, or (3) to any person or entity purchasing or otherwise acquiring the Comcast system serving the Premises (as defined in this Software License Agreement).
- d. This Software License Agreement and this Agreement shall constitute the entire Agreement between the parties hereto. If any part of this Software License Agreement is found invalid or unenforceable, the remainder of this Software License Agreement shall remain in full force and effect and shall be interpreted so as to reasonably give effect to the intention of the parties.

COMCAST HIGH-SPEED INTERNET HOME NETWORKING AMENDMENT TO COMCAST AGREEMENT

THIS AMENDMENT (the "Amendment") is made between the operating company subsidiary of Comcast Corporation that owns and/or operates the cable television system in your area pursuant to a cable television franchise with the local franchising authority and you as the Customer, and is effective upon the installation of the Comcast Home Networking Service. This Amendment modifies and is made a part of the Comcast Agreement for Residential Services (the "Agreement"). Unless otherwise defined in this Amendment, all capitalized terms in this Amendment shall have the specified meanings in the Agreement.

1. USE OF SERVICE

The Agreement is hereby modified solely to permit you to use the Service in connection with the multiple connection of up to five (5) personal computing devices within your Premises to the Service (the "Comcast Home Networking Service") in accordance with Comcast's then current published Comcast Home Networking Service description (which may be changed from time to time in our sole discretion). You shall be solely responsible for and shall indemnify and hold Comcast and its affiliates, suppliers, and agents harmless from and against any and all claims and expenses (including reasonable attorney's fees) arising out of your use or misuse of the Comcast Home Networking Service. You acknowledge and agree that the Comcast Home Networking Service is for residential, non-commercial purposes only. The Comcast Home Networking Service is not a commercial service and may not be used for commercial purposes. Please contact your local Comcast office to inquire about commercial service options.

2. COMCAST HOME NETWORKING SERVICE

The term "Service" shall include the Comcast Home Networking Service. The term "Comcast Equipment" shall include any Comcast Home Networking Service equipment such as gateways, routers, or wireless cards rented from or otherwise supplied by or on behalf of us to you. The term "Customer Equipment" shall include any equipment owned or otherwise provided by you in connection with your use of the Comcast Home Networking Service. We reserve the right to provide the Comcast Home Networking Service and support for that service only to the extent that you use equipment compatible with the Comcast Home Networking Service, such as CableHome™-certified gateways/routers. Further, you acknowledge that the use of the Comcast Home Networking Service may periodically require updates and/or changes to the software resident in the equipment used in connection with the service. These updates and changes may be performed remotely or on-site by Comcast and/or its affiliates, suppliers, or agents at their sole option. You hereby consent to these updates, which will be performed as deemed necessary by Comcast and/or its affiliates, suppliers, or agents, with or without notice to you. In addition, you acknowledge that the use of the Comcast Home Networking Service may periodically require provisioning, configuration, management, diagnostics, and other administration to or in connection with the service and the equipment used in connection with the service. These activities may be performed remotely or on-site by Comcast and/or its affiliates, suppliers, or agents at their sole option. You hereby consent to such provisioning, configuration, management, diagnostics, and other administration, which will be performed as deemed necessary by Comcast and/or its affiliates, suppliers, or agents, with or without notice to you. You acknowledge and agree that when using the Service (including the Comcast Home Networking Service) to access the Internet or any other online network or service, there are certain risks that may allow other Service users and Internet users to gain access to your computer system. You should take all appropriate security measures when using the Comcast Home Networking Service, including those recommended by Comcast and our affiliates, suppliers, or agents. Neither Comcast nor our affiliates, suppliers, or agents shall have any liability whatsoever for any claims, losses, actions, damages, suits or proceedings resulting from, arising out of or otherwise relating to the use of the Comcast Home Networking Service by you, including without limitation, damages resulting from others accessing your computer or the contents of your transmissions made through the Service or your use of file sharing, print sharing, or other capabilities that allow users to gain access to your computer system.

3. FEES AND CHARGES

You agree to pay the then-current fees and charges for the Comcast Home Networking Service upon receipt of an invoice (including any taxes, franchise fees or other fees or charges levied by a governmental agency).

4. REVISION

This Amendment forms part of the Agreement between Comcast and you and may be modified by Comcast on thirty (30) days prior notice as provided for in the Agreement. Your election to continue use of the Comcast Home Networking

Service thereafter shall constitute your acceptance of any modification. The Service and the Comcast Home Networking Service are subject to availability on an ongoing basis.

5. NO CHANGE

Except as otherwise set forth in this Amendment, the terms and conditions of the Agreement, as modified by this Amendment, shall continue to apply to the Service and your use of the Comcast Home Networking Service. In the event of a conflict between this Amendment and the Agreement arising out of your use of the Comcast Home Networking Service, the terms and conditions of this Amendment shall prevail.

EQUIPMENT COMPATIBILITY:

TELEVISIONS AND VCR COMPATIBILITY

Many newer television sets and video cassette recorders (VCRs) are labeled "cable ready." Typically, a cable ready television or VCR is one which, when connected directly to cable service, can receive all unscrambled, non-premium channels (premium channels include such channels as HBO and Showtime). Older televisions and VCRs are more likely to be non-cable ready, which means they generally receive only some numbered channels (usually channels 2-13). Even if you have an older television or VCR that was advertised as being "cable ready" or "cable compatible," the equipment may not perform as expected when connected directly to our cable system. This is because there previously were no standards applicable to television set manufacturers governing the reception of cable channels. According to new federal regulations, televisions and VCRs sold in the United States as of July 1997 cannot be called "cable ready" or "cable compatible" unless they comply with the technical requirements adopted by the FCC, including the ability to properly tune cable channels. Existing equipment may meet some but not all of these standards, and connecting our cable service directly to such equipment may cause signal degradation or interference. If you are not sure whether your television or VCR is "cable ready," you should review the equipment manual and instructions, or contact the manufacturer.

If your equipment is not fully cable ready, you can still receive standard cable channels offering non-scrambled or non-encrypted programming by renting or purchasing a single set-top converter without descrambling or decryption capabilities. For a low monthly fee, we rent out to subscribers set-top converters that are compatible with the services you purchase from us. You may also purchase set-top converters at electronic stores or other retail outlets in your area.

COMPATIBILITY OF SET-TOP CONVERTERS AND CABLECARDS

Many subscribers currently rent or own set-top converters to receive our cable services. Because a set-top converter functions as the channel tuner on your television, VCR or DVD recorder, it may prevent you from using some of the special features and functions of your television, VCR or DVD recorder. For example, you may not be able to view one program while recording another, record two or more consecutive programs that appear on different channels, use advanced picture generation and display features such as "picture in picture," channel review or use other features that necessitate channel selection by the television set, VCR or DVD recorder. Some of these problems may be resolved by the use of A/B switches, signal splitters, and/or other supplemental equipment that can be purchased from Comcast or at electronic stores. Please call us if you would like to discuss the type of special equipment needed to resolve individual compatibility problems or if you have any questions regarding other equipment compatibility issues. In order to enable you to utilize special features, which your television and VCR may have, we will make available, upon your request, equipment which will allow for simultaneous reception of two or more scrambled or encrypted signals and for tuning to alternative channels on a pre-programmed schedule. This equipment could include for example, set-top converters and multiple descrambler/decoders and/or timers (or if such devices are not available, multiple set-top devices will be provided), and signal bypass switches.

If you plan to purchase cable services that we scramble or encrypt, such as premium, pay-per-view or digital services, you should make sure that any set-top converter, or navigation device or Digital-cable-ready television (which can receive digital cable services using a device that we must provide called a CableCard in place of a converter) that you purchase from a retail outlet is compatible with our system. (Note: CableCards will not support two-way interactive services such as ON DEMAND, pay-per-view and the Comcast interactive program guide. Sets capable of supporting two-way services will be available in the future, and Comcast is committed to supporting that technology when it becomes available.)

Upon your request, we will provide you with the necessary technical parameters necessary for any set-top converter rented or acquired from retail outlets to operate with our cable system. If you see advertisements for set-top converters that have descramblers in them, you should understand that these devices may be illegal to use. Because of the need to protect our scrambled services, we will not authorize the use of any converter/descrambler which does not conform to all required signal security specifications. People who use illegal converters/descramblers may be subject to prosecution for theft of cable service. It is unlawful to alter or tamper with any device belonging to a cable operator in order to receive, intercept or assist in receiving or intercepting any communications service offered over a cable system. People who take such actions may be subject to fines or imprisonment.

REMOTE CONTROL UNITS

We rent remote control units to subscribers to access set-top converter features remotely. Currently, we provide subscribers with set-top converters with compatible remote control units. Although we rent remote control units at a nominal fee, subscribers may purchase compatible remotes at local electronic stores or other retail outlets. A representative list of compatible remote control models currently available from local retailers include: Sony RMV402, RCA RCU600WMS, and Philips PHL PMDYR8. A list of additional compatible remotes may be obtained from your local Comcast office. Although these remote control units are compatible with the set-top converters that we currently offer, these remotes may not be functional if we change the type of set-top converters we offer to subscribers. If you have any questions regarding whether a particular remote control unit would be compatible with our equipment, please contact us.

COMPANY OWNED EQUIPMENT

The set-top converter and all other equipment provided by Comcast in your home to receive Comcast services is solely the property of Comcast. Failure to return any equipment provided by Comcast, including the set-top converter and/or remote control unit upon termination of service will result in replacement charges being applied to your account. The same charges apply if Comcast's equipment is lost, stolen or destroyed. The set-top converter, other equipment and cable wires supplied by Comcast are not assignable or otherwise transferable by you. Repair cost for equipment returned damaged will be estimated and billed accordingly pursuant to N.J.A.C.14:18-3.23. If you are concerned about our charges relative to the above, you may refer the matter to the complaint officer for your municipality designated on the reverse side.

OUTAGE CREDIT AVAILABILITY POLICY/LIABILITY OF COMPANY

In accordance with the Regulations of the Office of Cable Television, N.J.A.C. 14:18-3.5, the Company will credit subscribers for outages as follows:

An outage is the total loss of the audio and visual portion of any Service, not caused by the Customer, for which the Customer pays a separate charge and which affects the Company's distribution equipment. For outages lasting six (6) to twenty four (24) hours, the Customer will receive a one day credit, based on the Customer's monthly rate for the affected Service. For outages lasting more than 24 hours, subscribers will receive a credit for each calendar day (or part of a calendar day, if greater than six hours) based upon the subscriber's monthly rate for the affected service, during which such service is unavailable. No credit will be given if restoration of Service within six hours cannot be accomplished due to factors beyond the Company's control, provided that the Company restores the Service within six (6) hours after restoration of the Service becomes practicable. If a loss of Service lasts at least 24 hours and is not the result of an outage, the Company will credit the subscriber for one day of Service for each 24-hour period, based upon the subscriber's monthly rate for the affected Service, during which such Service is unavailable.

EXCEPT AND UNLESS SPECIFICALLY PROVIDED OTHERWISE BY LAW, SUCH CREDIT SHALL BE THE CUSTOMER'S SOLE REMEDY FOR AN INTERRUPTION OF SERVICE. THE CUSTOMER MUST REQUEST SUCH CREDIT BY PHONE OR IN WRITING TO THE COMPANY OR THEIR DESIGNATED COMPLAINT OFFICER WITHIN THIRTY (30) DAYS OF THE OUTAGE. IN NO EVENT SHALL COMPANY BE LIABLE FOR ANY INCIDENTAL, SPECIAL, EXEMPLARY, CONSEQUENTIAL OR PUNITIVE DAMAGES FROM WHATEVER CAUSE, INCLUDING, BUT NOT LIMITED TO, LOSS OF BUSINESS OR WAGES.
